

BIRMINGHAM

7th March

Paritor™

Training Course - Advanced Data Visualisation

On the 7th March Paritor will be holding a course on how to use Paritor Insight to retrieve, manipulate and visualise your data. The course will run from 10:00 - 16:00 at The Beeches Conference Centre, Birmingham and will follow on from the FMS/Paritor Music Hub Conference being held on the 5th/6th.

The topics we will be covering are

Using the data

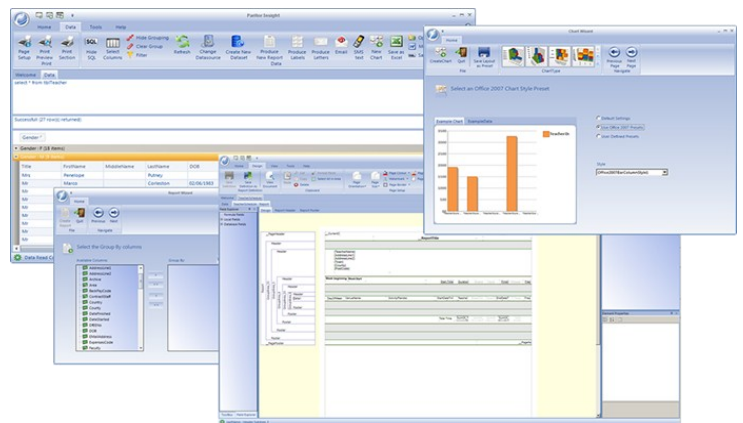

- Connecting to data sources including Ensemble, other SQL databases, Excel, Access
- Extracting the data you need
- Creating, modifying and saving your own data queries
- Filtering and grouping
- Creating summary values (averages, totals, maximum, minimums etc.)
- Creating derived data collections

Graphs

- Creating graphs
- Changing the style and properties

Bringing it all together

- Create a workspace of various analysis, reports and graphs
- Adding a workspace to your Paritor Menu to be executed as and when required

Charges for the Course

First Attendee	£149.00
2nd and Subsequent Attendee	£100.00

Overnight stay and breakfast is being offered by The Beeches Hotel at a cost of £55.00. Booking in advance is advisable. We would recommend attending the conference on the second day (6th March) and staying overnight if attending the training day on the 7th March.
